# SUMMER

A STUDY OF SELF PORTRAITURE

OCTOBER 2021

# A LETTER FROM THE EDITOR

**IT'S** October. The weather is cooling off, the leaves are changing, and everything tastes like pumpkin spice. Not mad at it.

I've been spending a lot of time on my own this month. Laying on the couch with the doors open, listening to the sound of the waves. I've been lonely, but a good lonely. I've forced myself to dive *into* myself, dive into my emotions and my own creativity. I wanted to challenge myself to do this issue completely on my own. I consider myself an extremely creative person, so to come up with a new project was really exciting for me.

**I'VE FORCED MYSELF TO DIVE INTO MYSELF, DIVE INTO MY EMOTIONS AND MY OWN CREATIVITY.**

My inspiration behind this issue, whether perfectly executed or not, was the intimate moments people have with themselves. Whether alone or with a partner. The sexuality, the loneliness, the happiness, the raw emotion. What better was to portray intimacy than selfies and self portraits? I sincerely hope you love and appreciate this issue for what it is. Sexy, and raw. All my love,

*Lauren S.*
